The Gateway to Freedom Kit

Cover of the booklet says the following:

This is a spiritual,

inclusive kit.

If you don't believe in G-d, adapt these tools to your own personal belief system and your own way of finding inner strength.

First Page:

The Teaching that is engraved on your bracelet is taken from a Hebrew text from the our morning prayer service called Shacharit in the Jewish Siddur.

(Siddur means Prayer book in Hebrew)

The literal translation of the Hebrew text is

**THANK YOU
Hashem
FOR NOT MAKING ME A SLAVE!**

The Gateway to Freedom Kit

*Sometimes tragically in life a person will
find themselves enslaved in a particular
area of their life.*

*Both by outer and inner forces that will keep them from having a life worth
living.*

The message on our bracelet is very simple

We were born to be free.

If you find yourself in bondage in any particular area of your life you should not despair.

Take courage and know that all freedom comes from knowing that there is only one
true source.

Giving away your power to any other source besides

this one true source

will keep you in bondage in all areas of your life.

The bracelet's message is humble yet powerful.

Once you can understand this principal with all
your, heart, mind, and soul you will be set free.

The Gateway to Freedom Kit

Several different ideas to make the most out of

or choose a method of your own

that will bring the most meaning from the product.

Wear this bracelet at all times

as a reminder of who you

are

Royalty

And you were born to be free!!!

Use the bracelet as an anchor to calm yourself down when you find yourself feeling overwhelmed or anxious about a situation in your life.

Do your best to really believe you were born powerful enough to overcome the challenges in your life.

The Gateway to Freedom Kit

Take a few seconds to pause and look down at the Hebrew or English text that is engraved on your bracelet.

Meditate on the words and its message to gain strength from their meaning.

Say the words to yourself like affirmations
until you start to feel calmer or that you're not alone.

If you don't read Hebrew,

You can use the words

"I am Royalty"

or a word or phrase of your choosing that empowers you
to feel hopeful and strong.

This way you will associate the Hebrew Text on your bracelet with a word that gives
your courage and strength.

"I am Royalty"

"I am not Alone"

"I am worthy"

"We Are Human"

"Hashem is with me I shall not Fear"

"I am Resilient"

"I am Powerful"

The Gateway to Freedom Kit

“I am Worthy”

“I am Deserving Love”

“Hashem loves me and wants the best for me”

Meditate on the meaning of the words
and become aware of
how those words make you feel.
